Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Request for corrected filing receipt under 37 CFR 1.10(d)

Application 10/039317 was accorded a filing date of October 28, 2001. The applicants filed the application under 37 CFR 1.10 on October 23, 2001. The applicants requested a corrected filing receipt on April 22, 2002. A response from the PTO for this request was sent on May 28, 2002 denying the request because a copy of the Express Mail label was not enclosed.

The applicants again petition for a corrected filing receipt of October 23, 2001 under 37 CFR 1.10(d). The applicants provide the following material for this showing:

- a USPS printout showing a USPS acceptance date of October 23, 2001 for article EV000875830US
- a copy of our postcard showing the Express Mail label of EV000875830US for application 10/039317
- a copy of the Express Mail label for article EV000875830US with the date-in omitted
- The application transmittal form for application 10/039317 showing the Express Mail label EV000875830US and a date of October 23, 2001

The applicants believe these materials show that application 10/039317 was properly delivered by Express Mail on October 23, 2001 with the date-in notation missing and should be accorded a filing date of October 23, 2001. Copies of the request of April 22, 2002 and the response of May 28, 2002 are included.

The applicants believe the USPS erred in not filling in the date-in section. Accordingly, no fees are required. However, if any fees are required, the Commissioner is authorized to charge Deposit Account No. 19-3880 in the name of Bristol-Myers Squibb Company.

Respectfully submitted,
